INK ON FABRIC STANDS

Hello from NETTL!

- I am Helen the owner and design manager here at Nettl Brighton East. We are part of a large network of web, design and print studios with a central hub for production.
- We are a small creative team with experience in design & print, and also specialist skills of photography & video.
- We offer creative design for print and web, low cost fast turnaround printing and innovative ink on fabric exhibition displays and signs.
